Ms. Silvia Gurrea did not attend. Mrs. Cabezas and another lady brought a list of disappeared people, a leaflet issued by their group and a graphic showing age level average of disappeared people. They spoke about the difference between their group and the Permanent Assembly inasmuch as that the PA only meets twice a ~~day~~ week and operates at a higher level, ie government institutions, church, etc. Their group is in closer contact with the Liga por los Derechos del Hombre and give advise, counsel, etc. to families on how to do and where to present habeas ~~corpus~~ corpus writs, etc. They spoke about prisons and concentration camps, which they maintain exist in the neighborhood of Ezeiza and in Mar del Plata, espezificaly an estancia by the name of La Peregrina. These ladies spoke about the detention of 350 people in October 1977 in Plaza Congreso; according to them those two missing nuns (French) had been also detained at that time.

Ms. Schprejer Speaks English and my services were not needed.

She showed Mr. Weil copies of correspondence received from the US.

Mr. Moldavsky was taken care of by Beatriz Carvalho. <sup>Dr. Adolfo Ruben</sup> Moldavsky (dis 8/1/77)

Mr. Lopez was replaced by his wife. Mrs. Lopez spoke about the

detention of her two daughters who were later released and about the kidnapping of her elder daughter who has been missing since (I believe) November of last year. As in all cases she maintains that her daughter had no political activities; she stated that two years ago while working in a bank her daughter had been chosen sub-delegada gremial.
